EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Scott Margo, Registration # 56277 on 01/11/2006.

The application has been amended as follows:

Claims 23 and 24 have been canceled.

Allowable Subject Matter

2. Claims 1-6, 8-19, 21, 22 and 25 are allowed.
3. The following is an examiner's statement of reasons for allowance:
4. As to claims 1 and 13, the prior arts of record do not anticipate or render obvious to one skilled in the art a color filter structure or a method for fabricating such a structure of a liquid crystal display comprising various elements as claimed, more specifically the limitation such as an overlapping region exists between any two neighboring color filters, each overlapping region and the color filters outside the overlapping region are coplanar, the color filters positioned in a bottom layer of the overlapping region have a first thickness, the color filters outside the overlapping region have a second thickness, and a value of the first thickness is at least half a value of the second thickness, is considered novel.
5. As to claim 25, the prior arts of record do not anticipate or render obvious to one skilled in the art a color filter structure or a method for fabricating such a structure of a liquid crystal display comprising various elements as claimed, more specifically the limitation such as an overlapping region exists between any two neighboring color filters, each overlapping region and the color filters outside the overlapping region are coplanar and wherein the first color filter has an inverse T-shaped structure, the second color filter has a stair-shaped structure, and the third color filter structure has a T-shaped structure.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably

Art Unit: 2871

accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
